FirstEnergy's PA electric companies Residential Rebate Program
PO Box 510861
New Berlin, WI 53151

FirstEnergy's Pennsylvania electric companies Rebate Requirements

- Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania electric companies.
- Rebates are available for ENERGY STAR® certified appliances purchased in stores or online between June 1, 2021 and May 31, 2026.
- Rebate applications must be submitted within 90 days of purchase, and be postmarked or submitted online by June 6, 2026.**
- Rebate application with valid customer account number must be accompanied by a **legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, model number, store name and location, purchase price, and date of purchase.** Please allow up to 30 days from the date all required information is received to process your rebate. For the fastest rebate possible, submit your rebate application online at energysavePA.com/rebates.
- All rebated products must be used at the service (install) address specified on the rebate application.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
- FirstEnergy's Pennsylvania electric companies and Franklin Energy, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or
 - equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
 - By submitting this rebate application, you acknowledge FirstEnergy's Pennsylvania electric companies right to audit this application and if requested, you will allow a representative from FirstEnergy's Pennsylvania electric companies reasonable access to verify installation of qualifying product(s).
 - By participating in these energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
 - Mail-in rebate not available to customers who purchased product at Lowe's and/or The Home Depot.**
 - Water heater models must be ENERGY STAR certified electric models to qualify for the \$500 rebate; verify at energystar.gov/products.
 - Solar water heater must replace an existing electric water heater (not a gas water heater) to qualify for the rebate
 - By submitting this FirstEnergy's Pennsylvania electric companies rebate application, you acknowledge and agree to the rebate requirements found on this rebate form.
 - Rebate may vary dependent on Operating Company
