In-Person Connections

Let's get back to meeting in-person. If you are open to meeting face-to-face, we will reach out to you to schedule a visit when we are in your area. It will be a great way

to learn about program updates and share your feedback with us. Email us at cifirstenergypa@franklinenergy.com to schedule a visit.

Get More Information

Coffee Breaks

Join an Energy Advisor for a cup of coffee and learn how to share the good news about how FirstEnergy's Pennsylvania utilities' C&I Program can benefit your customers and their bottom line.

These unique opportunities come with no obligation to participate and will provide you with new ways to inform businesses about how to receive incentives, save energy and lower their monthly expenses!

Plus, there will also be time to share your valuable feedback about the program.

<< Program allies recently enjoyed coffee with our program team on October 27 at Ember + Forge in Erie. It was a great time to share information about the program and receive feedback.

Meet and Greet!

You are invited to learn about FirstEnergy's Pennsylvania utilities' energy efficiency programs. Energy Advisors from Willdan and Franklin Energy will answer any questions and provide an overview of all available programs.

Enjoy food and drinks and discover the great new incentives available to you!

Share Your Feedback!

Program Survey

We would like to invite you, as a program ally, to participate in our FirstEnergy PA Energy Efficiency [Program Survey](#).

Your input will be used to ensure that we continue to meet your needs, and to help FirstEnergy's energy efficiency programs become most effective throughout PA.

This survey will take an estimated three (3) minutes to complete. We appreciate your feedback!

Energy Resources

Trainings

Our past trainings have mainly focused on how to enter projects in the portal. We want to provide future trainings on energy efficiency topics such as lighting, controls and compressors. Let us know what topics you are interested in or think would be helpful, and we will work to incorporate them.

Send Your Suggestion

Why You Should Become a Program Ally

Whether you are interested in becoming a program ally (or already are one), you'll find everything you need to know right here about all the benefits.

1. Program ally resources: Get help increasing sales, growing your profile and training your team as part of your program ally network.
2. Technical resources: Access calculators and other tools to estimate potential energy savings on future energy-efficiency projects.
3. Events: Stay up to date with the latest information on trainings, incentives and more.

We're here to help you in all that you do for our customers!

Rebates are available to commercial and industrial customers of FirstEnergy's Pennsylvania utilities on qualified products and services purchased between June 1, 2021 and May 31, 2026.

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential, and income-eligible appliances, please visit energysavePA.com.

By participating in these energy-efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your utility will aggregate these energy-efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
